

# DAEDALEAN ASSOCIATES, INC.

SERVING PEOPLE THROUGH INNOVATION

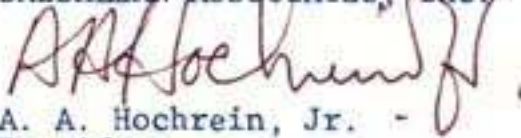

October 5, 1982

To Whom It May Concern:

Mr. Joel Mulchansingh entered our employ part-time in November 1978 and became full-time in May 1980 as a Draftsman. His responsibilities included illustrating, drawing, and drafting. His abilities consisted of perspective drawing, architectural and airbrush renderings, exploded views, and paste-up and layout. Mr. Mulchansingh's most noteworthy talent is his drawing ability.

During the entire period of his association with us, we knew him as a faithful employee who worked well on his own. For these reasons we believe he will be a success in any enterprise in which he is engaged.
