

DAEDALEAN ASSOCIATES, INC.

SERVING PEOPLE THROUGH INNOVATION

October 5, 1982

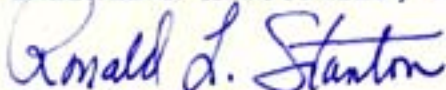

To Whom It May Concern:

Mr. Joel Mulchansingh was employed part-time by us in November 1978 and then full-time in May 1980 as a Draftsman. As a member of our Art Department, he was responsible for drafting, illustrating and drawing. His talents included architectural renderings, exploded views, pen and ink, paste-up and layout, and airbrush renderings. Mr. Mulchansingh shows exceptional talent for drawing.

We found Mr. Mulchansingh to be a conscientious employee who required little supervision. We particularly liked his pleasant personality and his ability to get along well with others.

We have no hesitation in recommending Mr. Mulchansingh for any responsibility you may see fit to assign him.
