

300 West Lexington Street  
Baltimore, Maryland 21201-3415

July 29, 1987

Recommendation

Joel Mulchensingh was employed as a temporary draftsman for the Mass Transit Administration from January until July, 1987. Work quality and quantity are excellent and his work attitudes are superior. I should not hesitate to ask for his services again.

A handwritten signature in black ink that reads "Roberta M. Daiger". The signature is written in a cursive style.

Roberta M. Daiger  
Configuration Control Engineer
